

Instructions for joining a team:

- 1) Visit <https://teams.teampplus.education> and create a new user account.
- 2) Click the blue button that says "Join a Team Now":

- 3) Fill out the form (example below) to select the proper course, section, instructor, and team #. In this example, the student has selected team #3, but you will choose the team # that you've been assigned. Once the form is complete, click the "Join Team" button.

+ Join a Team ×

Use the form below to join a team. You can only join a team already created by your instructor. After joining your team, you will be able to invite your teammates to join you on Team+.

- 4) Click the Personal Profile EDIT PROFILE button to start the first activity. See the example below. Each subsequent activity will become active button when a) You've completed the prior activity and b) the start date has arrived. You will need to complete the required Personal Profile and Team Styles activities before Team Identity becomes available.

Stage 1: Who We Are

This stage consists of 3 activities, designed for you to get to know your teammates. Together, you and your team will establish a collective identity to encourage a unified approach to your assignments and projects.

Activity 1: Personal Profile

Team status: In progress Your status: In progress

Summary: Create a personal profile to share with your teammates and view the profiles that they have created.

Schedule: Complete this activity now

Edit Profile

Activity 2: Team Styles

Team status: In progress Your status: In progress

Summary: Each team member will complete three surveys to determine and share their listening style, communication style and conflict management style.

Schedule: Complete this activity now

Start

Activity 3: Team Identity

Team status: In progress Your status: In progress

Summary: Work together with your teammates to establish an identity for your team in the form of a team name, motto, and mascot.

Schedule: This activity is due soon (Jul 28 - Aug 31).
