

Instructions for joining a team:

- 1) Visit <https://teams.teamplussystem.com> and create a new user account.
- 2) Click the green button that says "+Join a Team":

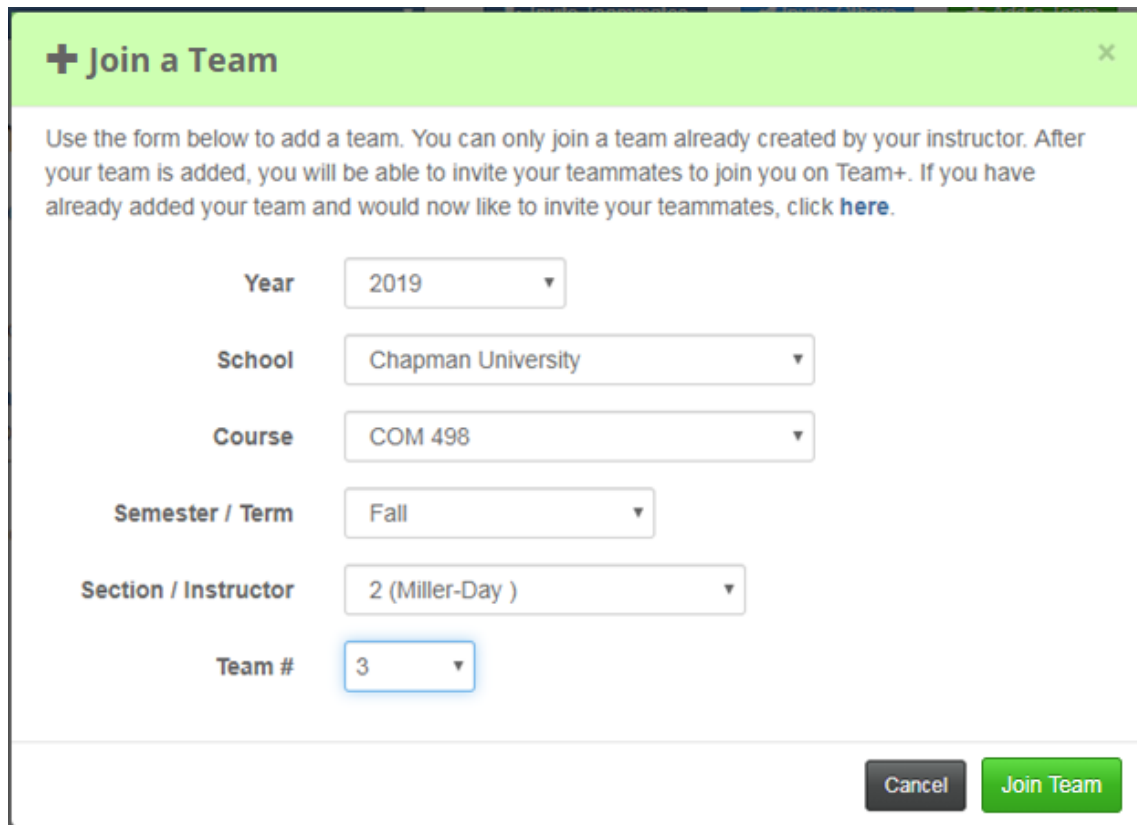

Welcome to Team⁺

Help your team work more effectively with Team Builder activities

The **Team⁺ System** is an intuitive tool to help your team work more effectively. From the Team Builder module you can **join a team**, complete the Team Builder activities, and collaborate on projects. Send invitations to your team members right away or direct them to www.teamplus.education to empower your team with effective teamwork skills and a central hub for your collaborative activities.

+ Join a Team

- 3) Fill out the form (example below) to select the proper course, section, instructor, and team #. In this example, the student has selected team #3, but you will choose the team # that you've been assigned. Once the form is complete, click the green "Join Team" button.

+ Join a Team

Use the form below to add a team. You can only join a team already created by your instructor. After your team is added, you will be able to invite your teammates to join you on Team+. If you have already added your team and would now like to invite your teammates, click [here](#).

Year 2019

School Chapman University

Course COM 498

Semester / Term Fall

Section / Instructor 2 (Miller-Day)

Team # 3

Cancel Join Team

- 4) Click the Personal Profile spotlight on the activity map to start the first activity. This is where it says "Start Here" in the example below. Each activity will light up when a) You've completed the prior activity and b) the start date has arrived. You will need to complete the required Personal Profile and Team Styles activities before Team Identity becomes available.
